

## **Controller**

**Location:**

Lawrenceville, NJ

**Position Type/Classification:**

Full-Time/Exempt

**Reporting to:**

Chief Financial and Administrative Officer

**Compensation:**

\$95,000-\$110,000/year

### **Organization Overview**

Since its inception over 30 years ago, HomeFront has worked to break the cycle of poverty and end homelessness in Central New Jersey, serving tens of thousands of Mercer County, New Jersey families. In the past year alone, 16,805 unique individuals came for shelter, food and life-changing assistance. Started by volunteers providing meals for families living in welfare motels in and around Trenton, HomeFront has since developed a holistic array of services for clients who are experiencing homeless, facing complex barriers to economic opportunity, or working hard to make ends meet.

Our work is best captured by our mission statement:

HomeFront's mission is to end homelessness in Central New Jersey by harnessing the caring, resources and expertise of the community. We lessen the immediate pain of homelessness and help families become self-sufficient. We work to give our clients the skills and opportunities to ensure adequate incomes, and we work to increase the availability of adequate, affordable housing. We help homeless families advocate for themselves individually and collectively.

### **Job Summary/Objective:**

Reporting to the Chief Financial and Administrative Officer, the Controller will be responsible for managing the daily accounting activities of a not-for-profit agency with a \$17M operating budget. The Controller supervises an experienced team of 3 staff members including a Senior Accountant, Senior AP/AR Administrator and Accounting Clerk. The Controller has functional responsibility over accounting, general ledger, monthly close, payroll, account reconciliations and accruals, maintenance and integrity of accounting data and records, conformance with GAAP, cash management, internal control practices and procedures, grant management, preparation of financial statements for senior management and the Board of Directors, and annual audits. The Controller will work closely with program managers to instruct them on finance and accounting best practices as well as to support them in managing their program operations. By executing these responsibilities with diligence and excellence, the Controller makes possible the work of the entire HomeFront team to break the cycle of poverty and help families become self-sufficient.

The Controller will play a key role in a strategic initiative to audit, evaluate, and enhance all accounting processes and technologies across the organization. This role will lead a comprehensive review of current workflows, systems, controls, and reporting practices to identify risks, inefficiencies, and opportunities for improvement. In partnership with cross-functional stakeholders, the Controller will design and implement standardized, scalable, and compliant accounting solutions, driving

adoption through effective change management. The ideal candidate will bring strong technical accounting expertise, systems acumen, and the ability to lead organizational change, ensuring sustainable improvements that support the organization's long-term financial and operational objectives.
