The Evening Child Care Giver provides an important support to the Children's Champion Program. Our Care Givers use a trauma informed lens to provide empathetic and loving support to toddlers, preschoolers, and school-aged children during a time in their lives when they are facing the challenges of homelessness. We believe that even our youngest children when nurtured by love and support will grow on a path to realizing life's possibilities. Care Givers respond not only to the physical need of the children, but also their emotional needs by giving smiles, hugs, high-fives, and laughter to all little ones.
