## OUR MISSION

To end homelessness in Central New Jersey by harnessing the caring, resources and expertise of the community. We lessen the immediate pain of homelessness and help families become self-sufficient. We work to give our clients the skills and opportunities to ensure adequate incomes, and we work to increase the availability of adequate, affordable housing.

## OUR CORE BELIEFS

Families deserve safe, secure housing.

With the right tools, all families can succeed.

Families need basic necessities to live a life with dignity.

Personal wellness – physical, mental, and emotional – is critical to thriving families.

Children nurtured by love and support will grow on a path toward realizing life's possibilities.

Helping families break the cycle of poverty.
